Inspector General of Registration,
Bombay Province, Poona.

The Secretary to Government,
Revenue Department, Bombay.

Subject.—Administration Report.

Sir,

I have the honour to submit my report on the working of the Registration Department under Act XVI of 1908 for the year ending 31st December 1939, together with the prescribed statistical statements.

2. During the year under report the following officers were in charge of the office of the Inspector General of Registration :—

- (1) Mr. S. Aminuddin, (1st January 1939 to 3rd October 1939.)
- (2) Mr. M. J. Desai, (4th October 1939 to 31st December 1939.)

3. The total number of registrations during the year under review was 250, 155 against 243, 443 of the preceding year showing an increase of 6,712 i.e. of 2·7 per cent. The increase is conspicuous in compulsory registrations. Optional registrations affecting immoveable property have, however, fallen from 6,980 to 6,562. On the whole, the transactions show a fall in the value of the immoveable properties affected thereby.

4. Of the documents the registration of which is compulsory, sales and leases show a rise. The rise in the number of sales is about 4 per cent. though the value of property affected by the documents is lower than last year. This may be due to the unwillingness of Sowcars to give small loans on mortgages of immoveable property in view of the publication of "the Agricultural Debtors' Relief Bill". The increase under leases is probably due to the activities of the Sowcars who lease the lands again after purchasing them and to the extension of sugar-cane cultivation by sugar manufacturing companies. The variations in other classes do not call for any remarks.

5. The number of refusals to register declined from 111 to 99 a decrease of about 10·8 per cent. The number of appeals and applications preferred against these refusals increased from 28 to 32.

6. 37,820 documents were prepared by the Sub-Registrars under the Deccan Agriculturists' Relief Act against 37,667 of the previous year in the four districts of Poona, Satara, Sholapur and Ahmednagar. There is thus an increase of 153 documents.

7. During the year under report 14,321 documents relating to Co-operative Societies were registered and Rs. 42,679-13-0 would have been realised therefrom had it not been for the exemption granted under Government Resolution, Revenue Department, No. 5818 dated 24th June 1914. The number registered last year was 12,849. In 1939, the land mortgage banks registered in all 1,129 documents, on which, but for the exemption, a sum of Rs. 5,909-9-0 would have been realised as registration fees. The number registered last year was 1,065.

8. The number of applications for copies dealt with by value payable post fell from 8,577 to 7,710. The number of applications for copies, searches and inspections rose from 17,743 to 17,795.

9. The number of documents returned by post was 191, 163 against 186, 113 of the previous year.

10. Registrations under sections 25 and 34 of the Registration Act show an increase of 34.

11. 485 documents were impounded for insufficiency of stamp duty. In 309 cases, the deficit duty was recovered, 68 were adjudged as duly stamped and 108 awaited disposal at the end of the year. The number of documents impounded in 1938 was 281.

12. During the year under report, 7,974 orders and certificates were received for being filed in Book No. I under section 89 of the Indian Registration Act. Last year the number was 8,983.

13. The number of Parsee Marriages registered in 1939 was 568. Out of these, the Registrar of Marriages, High Court, Bombay, alone registered 476. In 1938, the number was 527. In 1939, the number of marriages registered under the Special Marriage Act III of 1872 was 290, Bombay claiming the major portion. In 1938, the number was 212.

14. During the year, no declaration was filed under the Cutchi Memons' Act. One declaration was filed last year.

15. The number of documents received for photo-copying in the year 1939 was 108,107 consisting of 500,421 sides, against 103,339 and 497,340 sides of the previous year. No document was rejected as unfit for photography. The number of copies supplied from film

negatives in 1939 was 3,467 and the total number of sides printed was 558,344 against 3,289 and 538,247 respectively in the preceding year. A statement showing the income and expenditure of the Government Photo Registry, as required by Government Memorandum, Revenue Department, No. P. 352/25045-A, dated 4th November 1938, is attached at the end of the statistical statements.

16 The total gross income of the Department declined from Rs. 14,50,333 in 1938 to Rs. 13,98,542 in 1939. This is mainly due to the fall in the value of the immoveable property.

17 The total expenditure decreased from Rs. 528,314 to Rs. 486,995. The decrease is due to the replacement of retired men by new men on reduced scales of pay and also due to the retrenchment of some clerks' posts owing to the extension of the photo-copying system to some more offices. This expenditure includes Rs. 10,676 on account of the cost of printing of books and forms, binding work and rubber stamps supplied, Rs. 2,400 on account of the cost of stationery articles supplied and Rs. 3,901 due to refunds. The surplus or the net income of the Department, after deducting the expenditure shown above, comes to Rs. 911,547 against Rs. 922,019 of the preceding year i.e. a fall of Rs. 10,472.

18 The number of cases of visits paid by Sub-Registrars at private residences fell from 1,060 in 1938 to 1,037 in 1939.

19. There was one case of false personation in Panch Mahals district and it ended in the conviction of one of the accused under section 82 (c) (d) of the Indian Registration Act and sections 109 and 465 of the Indian Penal Code.

20. The Inspectors of Registration inspected almost all the Sub-Registry offices in their divisions. The entries inspected by them in 1939 were 166,862 against 137, 152 of the previous year. The District Registrars visited 82 offices, while the Prant Officers visited 89. The Inspector General of Registration inspected 42 offices.

21. There is reason to believe that there has been some improvement in the general tone of the behaviour of Sub-Registrars as complaints of ill-treatment or corruption against Sub-Registrars are less frequent.

22. Noticeable features of the year under report :—

(i) The system of copying documents by photography which was in force since 1921 as an experimental measure has been accepted as a permanent arrangement in Government Resolution, Revenue Department, No. 1778/33, dated 17th April 1939. The temporary staff of the Photo Registry is made permanent, the Photo Registry separated from the Photozinco Press and the Supervisor's post is converted into that of Manager, a gazetted post in the Provincial service.

(ii) The Photo-copying system was extended to the following 10 Sub-Registry Offices with effect from 1st August 1939 :—

(iii) Full effect is now given to the orders in Government Resolution, Revenue Department, No. 3013/33 dated 21st April 1936 and my office is manned by clerks only with the exception of the Head Assistant with effect from 1st October 1939. This sudden change has thrown additional burden on the Head Assistant for the time being as the new clerks cannot be of much use till they have acquired knowledge of registration law and office routine.

I have the honour to be,

Sir,

Your most obedient servant,

M. J. DESAI,

Inspector General of Registration,
Bombay Province, Poona.
